REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or suggest the limitation of the independent claims regarding charging and discharging parasitic output capacitances of the plural switches and parasitic input capacitance of the one or more power switching devices (claims 1 and 9), and also does not disclose or suggest the limitation of the independent claims regarding recycling of energy between the magnetizing inductance of the transformer and the parasitic capacitances of the switch circuitry and the capacitance between the first output terminal and the reference terminal (claims 17, 34 and 35).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kenneth B. Wells whose telephone number is (571)272-1757. The examiner can normally be reached on Monday through Friday from 8:30am to 5:00pm.
